AWARDS RECEIVED FOR LETTERING IN A SPORT

Junior High Athletics:

- Letter - Small black S. An athlete receives one for the first sport they letter in and will only receive one chenille throughout their Junior High career.
- Emblem - For each sport they letter in the first year.
- Bar - For the second year they letter only

Example: Joe Smith letters in Junior High Football in the 7th grade. He would receive a letter and emblem. He also letters in track the same year. He would receive a track emblem only. In his eighth grade year if he is out for the same sports he would receive a bar only for each sport.

High School Athletics:

Varsity and Junior Varsity

- Letter - First sport they letter in. A student receives only one chenille in his/her high school career. (Varsity letter large gold S – JV letter small gold S).
- Certificate - Each time they letter for each individual sport.
- Emblem - When they letter the first time in each sport.
- Bar - For every year they letter in a sport including the first year they letter.

Example: Jean Jones letters in Track her freshman year. She would receive a letter, certificate, track emblem, and bar. Her sophomore year she letters in Basketball also as well as track again. She would receive a certificate, bar and emblem for basketball. She would also receive a certificate and bar for track. And the pattern continues throughout her high school career.

Notes:

1. The coach of each sport will decide the lettering procedure for that sport and will notify athletes of this at the beginning of the season.

2. Each coach may award special plaques or medals (best defensive player, best offensive player, etc.). This is left to the discretion of the coach with the approval of the Athletic Director and Principal.
